Food Bank

The Christmas time brings added responsibility to the staff of our food bank, as they strive to meet the demands placed upon them of people struggling to cope with this season.

The Salvation Army food bank has been in operation for the last 30 years, this year will be no different. We would like to get majority of the referrals completed by the 21st December so that the staff can then move onto emergency provision only. Further details obtained from the Majors.

**A Happy Christmas
&
Prosperous New Year
from all your friends at the
Salvation Army
